Jarod,

After speaking with SA (b)(6)/(b)(7)(C) it appears that the remaining funding requirements for the Adobe DRM project are as follows. I know Jim was working on this, so if he says differently on any of this, his information trumps mine.

Through the normal procurement process, pending contract:

Adobe Experience Manager Document Security 6.2 - OnPremise Term	\$32950.00
Minimum (b)(4) Recipients - Per Recipient - 12 Months	
Adobe Senior Consultant (support) (b)(4) hours	\$2342.50
Total	\$35292.40

The support hours can be cut out if need be, but would be nice to have in case anything goes wrong that we need Adobe's help to manage.

(b)(7)(E) and (b)(7)(A)

Regards,

(b)(6)/(b)(7)(C)
