Dear Bail for Immigration Detainees, Migrants Organise, and Privacy International,

Re: Electronic Monitoring Services

Capita has been proudly delivering Electronic Monitoring Services for the government since 2014.

The services we deliver are with care and empathy, and follow all government guidelines, while complying with all GDPR regulation and cyber security best practice.

All policy and commercial questions on Electronic Monitoring Services should be directed to the relevant government department.

Kind regards,

[REDACTED]
